USAV GROUP DEALERS ELECTED TO INFOCOMM BOARD

Denver, CO – USAV Group, whose Dealers work as a team functioning as one of the nation’s largest professional audiovisual integrators, is pleased to announce that two of its members have been elected to the newly formed InfoComm Board of Directors. Mike White of Multi-Media Solutions, Inc., Knoxville, TN will serve a one-year term and Barry Goldin of Audio Video Systems in Chantilly, VA, will serve a two-year term as Directors on the Board. Both were previously on InfoComm’s Board of Governors.

InfoComm International is the leading trade association representing the audiovisual industry worldwide. USAV Group works closely with InfoComm to advance standards and performance within the ProAV industry. Mike White remarked, “I am pleased and humbled that my associates in our industry have selected me to continue in this leadership role. I believe strongly in working through InfoComm to improve both the stature and effectiveness of our profession.” Barry Goldin expressed similar convictions. “Having served on many of InfoComm’s committees and as a Governor, I am thrilled that I can continue contributing to the industry as a Board Member, especially by helping increase the level of expertise in our industry through better education and training.” “USAV is proud to have these leaders from our team on the InfoComm Board”, added K.C. Schwarz, USAV’s CEO. “They are great contributors to USAV and I have no doubt their contributions to InfoComm will be substantial.”

About USAV Group

USAV Group is a team of ProAV integrators spanning the US. USAV Dealers are dedicated to designing, sourcing, implementing, and supporting commercial audiovisual projects that change the game. Founded in 2002, USAV has attracted leading Dealers and Manufacturers in forming the nation’s premier ProAV team.

About InfoComm International

InfoComm International® is the international trade association of the professional audiovisual and information communication industries. Established in 1939, InfoComm has 5,000 members, including manufacturers and dealers in 70 countries.
